DIALOGUE

## UNCLE SAM & BROTHER JONATHAN. {296}

By DANIEL DE LEON

**B**ROTHER JONATHAN (looking curious)—What is it happened to the attempted *Volkszeitung* Party last Monday? It and they are all smashed up in every way.

UNCLE SAM—A very natural thing. They tried to run a movement on the brewery wagon plan—and, of course, got done up. To run a brewery wagon, only large avoirdupois is needed; big bodies, with or without brain—and they ran up against the S.L.P. buzz-saw, like so many others before. See?

B.J. (his eyes twinkling)—I see!
