p.102? "This work--bringing rev. consciousness from without--defines, as Lenin, the 3 tasks, theoretical, pol., eco. of a Marxist Party. THE TASK SURVIVES EVEN WHEN PARTY IS MISSING: every rev. movement on 3 fronts."

Time Space: "Meanwhile each moment of the struggle is defined by a concrete rel. of forces, the SPACE of the struggle. The Latin quarter is a social space populated by students. It is a POLSPACE...etc.etc.etc"

The Definition of the 'Party'

The 3 Fronts-- (1) theoretical (also ~~theoretical~~ the ideological struggle, (2) traditionally called

Diffusion of ideas --massively: "This is the background to the influence of *****p.110 the critical analyses of IM, the Situationists, etc"

Also ~~up~~ up Mx, VII, (but also Trotsky, Mao & Castro"

- (2) The pol. front "
- (3) The eco. front

The Party As A Problem..

So even when AG supposedly rejects "the Bol. monolith" that came about because of conditions of extreme repression + "bur. inefficiency" which will remain after cap. has gone as supposedly is for extreme-left groups, he nevertheless comes up with (p.114): "It is rather a matter of WORK TEAMS WHICH BRING TOGETHER SPECIALISTS 'CAPABLE OF DEFINING THE MOST URGENT TECHNICAL TASK OF THE REV. (of the eco, of self-defence, etc.) ON THE FRONT OF THEORETICAL activity PLANS of action can be established which make it possible to master the variable circumstances & the urgency of the tasks to be carried."
