WORLD REVOLUTION AND BLACK REVOLT, Africa and

Black is the color that made 1960's so exciting a decade both in  
in Afr. & US

Black is the dimension of Humanism that Un...  
a whole new world, giving birth to

Black is the potential that could circle the globe.

Thus Marxism has come full circle. What began  
as a rev. in phil., with the discovery of a NEW CONTINENT OF THOUGHT  
--Historical Materialism, the unity of Th. & Pr., i.e., unity of the  
ideal and the real Marx called the new Humanism that would strike  
out against both cap. & "vulgar communism to let the self-dev. of  
the whole man emerge--that rev. in phil. of necessity became a  
phil. rev., thereby merging P&R, which is exactly what character-  
izes our age.

Now then let us see what was new with the outburst of  
AFRICAN REVOLUTIONS: 1) TIME --speed with which a new  
2) PLACE--continent out of nation  
3) DYNAMISM of IDEAS (when West was sleeping)  
in less than 5 years, with no capital, all inexperienced & young--

THE QUESTION IS WHAT HAPPENED AFTER POWER WAS GAINED?  
Isolation from masses...  
It impinges on US, tho it began v.v., so let's turn to US

Instead of triangular trade in slave, rum & mollasses  
3-way ideas and human relations--AFR. AM. W.I.  
Before '60's started/Black Rev. 2 features--  
1) caste  
2) I & Thou

In a word, what started in Greensboro, N.C., was on no blank pages  
NOT ONLY THAT HISTORY shows why MASS, NOT Leader. Thus--  
1) though we cannot go into slave revolts except to say NAT TURNER  
& WIG to say that a new page of history began lead-  
ing to...  
2) though we cannot go in DAVID WALKER &  
SOJOURNERY TRUTH, Harriet Tubman --& FD--  
WL THERE HAD ITS BEGINNINGS, fully non-finality,  
most advanced IWW Ben Fletcher 100,000 out of mln.

TWO HAPPENINGS, i.e., events & cognitions--cannot be  
evaded: EXACTLY WHEN GARVEYISM WAS THE HAPPENING--MARXISM ALONE  
Not 1st - Int. as against

Now then '50s re Automation--which shows exactly why MASSES AS  
REASON...  
1950's-1970's 3 Revolutions --Automation  
EE Europe from Rus & Africa from West  
P&R
