It always has been entirely dependent on the revolutionary people for its existence. ENVER HOXHA BOOKSTORE vigorously follows these revolutionary policies of the NATIONAL PUBLICATIONS CENTRE. Please inquire or write for the NPC Catalogue (1978) free of charge from ENVER HOXHA BOOKSTORE.

ENVER HOXHA BOOKSTORE was vigorously opened in September 1977 in order to make available books and periodicals from the People's Socialist Republic of Albania. It was opened to promote the all sided people to people relations between the Canadian and Albanian people, which were established in May 1977 when the first ever Canadian delegation led by Comrade Hardial Bains, Chairman of the Communist Party of Canada (Marxist-Leninist) was invited by the Party of Labour of Albania to visit this beautiful country.

Today, the People's Socialist Republic of Albania and the heroic Albanian people led by the Party of Labour of Albania with Comrade Enver Hoxha at its head, is a beacon and model of socialist revolution and socialist construction. It is a reliable base area for all the revolutionary and freedom loving people all over the world and a mighty fist against the global ambitions of U.S. imperialism, Soviet social-imperialism, and all reaction.
