

IT'S AN EMERGENCY!

We'll only use a few words because our message is short and direct:

FRONTLINE'S FUTURE IS ON THE LINE.

Contributions to our Sixth Anniversary Fund Drive picked up a little the last two weeks, but not nearly enough. That means it's an emergency: the campaign has only six weeks to go, and we need to reach our \$20,000 goal to survive.

So if you want to continue seeing *Frontline* around, now is the time to dig deep. Don't expect someone else to do it. We have no source of extra money except the contributions of our readers. So please fill out the coupon on the adjoining page and mail a check today.
