WARSAW , March 29.

The Communist Party of Poland (ML), in a document of March 15<sup>th</sup>, severely condemned the fresh crime of the Soviet revisionist renegade clique, their armed adventure on the frontier with the Peoples' Republic of China. The invasion of Czechoslovakia, the aggression on Chinese territory in the Ussuri River area, the billions of rouble credits that the Soviets grant to the Indian bourgeoisie to arm itself all testify to the embarking of the clique of Soviet renegades on the road of counter-revolutionary plots, of great power chauvinism, of economic plunder of military provocations and imperialist wars.

*After* pointing out that a defeat as shameful as the one suffered by the reactionary rulers of India in their attack on the Peoples' Republic of China lies in store for the Soviet revisionists, the Central Committee of the Communist Party of Poland emphasises, that the Chinese people, armed with *the* science of Marxism-Leninism and the ideas of Mao Tse-tung, will allow nobody to touch unpunished their sovereign rights and their revolutionary gains. The Communist Party of Poland, the Polish working class and the whole of the Polish people condemn the policy of war adventures and of imperialist plunder pursued by the Soviet renegades, 'the fascist invasion of Czechoslovakia and the armed bandit-like attack on the territory of the Peoples' Republic of China are a great warning also to the Polish people. They cannot view with passivity *these* fascist acts of Soviet imperialism. They see how the foolish propagandists of *the* policy of peaceful co-existence- direct, their tanks, airplanes and rifles against their neighbours, against the Chinese people and the Czechoslovak people. Secret agreements and plots, military provocations and atomic blackmail are useless because even so the collaboration of Soviet imperialism with U.S. imperialism will suffer a deserved and shameful final defeat. The Peoples' Republic of

China is a great socialist power, the mainstay of world revolution and socialism. On the side of the seven-hundred million armed Chinese people are today all the revolutionary and progressive forces throughout *the* world, on the side of the heroic Chinese people stand also the heroic people of Poland. ..

The Central Committee of the Communist Party of Poland, on behalf of the Party, of the working class and of the entire heroic people of Poland, addresses itself to the heroic working masses of the Soviet Union, to all Bolsheviks, heirs of Lenin's and Stalin's testament, to intensify' the joint revolutionary struggle against the traitors to the dictatorship of the proletariat in Poland and the Soviet Union.

At the same time it greets the heroic Chinese people in their just struggle for the destruction of the traces of revisionism and for the consolidation of the dictatorship of the proletariat under the leadership of the Chinese Communist Party and of the great Marxist-Leninist, Comrade Mao Tse-tung.
