To the Central Committee of the Belgian Communist Party.

Dear Comrades:

The important and unremitting struggle of the Belgian Communist Party against the imperialism and the Khrushchevist revisionism, has a place in the revolutionary combat of all the people of the world.

The Communist Party of Belgium is an example of revolutionary strength, it draws the admiration of all those who, faithful to Marxism-Leninism, see in it a convincing example of what the vanguard proletariat should be.

Its generous and untiring struggle elicits the hatred of all the valets of American imperialism. The blows that the PCB (Parti Communiste de Belgique; Belgian Communist Party) strike against the oppressors of the peoples, against the policy of economic subjugation and colonisation of the bourgeois, bring about the most furious attacks of the imperialists.

The American imperialists know where those who will destroy it are and do not spare any effort to persecute and liquidate the Marxist-Leninists. All means are and will be used against the revolutionaries and the servants of the reaction will infiltrate themselves everywhere.

The Communist Party of Belgium, guided by its Central Committee, presided by Comrade Jacques Grippe, has just thwarted a disgusting gangster-

like operation and once and for all unmasked the traitor Massoz and his clan, all enemies of the Party and of the People, faithful servants of American imperialism. The Communist Party of Belgium has thus shown that it is a true party of the vanguard of the working class, it has given an example of revolutionary vigilance, real lesson for the Marxist-Leninists all over the world.

We, the Portuguese Marxist-Leninists, show our deepest and total solidarity toward the Communist Party of Belgium, first flag of Marxism-Leninism in Europe, after the revisionist treason.

We, the Portuguese Marxist-Leninists, protest strongly against the aggression of some instigators working for the American imperialists against the PCB.

We, the Portuguese Marxist-Leninists, rejoice at the failure that American imperialism and the Belgian bourgeoisie have just suffered and we denounce all those who interfere with the true interests of the people.

We, the Portuguese Marxist-Leninists, salute the glorious Communist Party of Belgium, all its militants and its Central Committee, guided by Comrade Jacques Grippe, and we wish it victories every day more smashing in its struggle against all the enemies of the people.

Long live Marxism-Leninism.

The Portuguese Marxist-Leninist Committee.
