The regular publication, every fortnight, of this NEWSLETTER, is an initiative of "THE PEOPLE'S CRY EDITIONS", intended to allow reading and study of fundamental formative and informative materials of the International Communist Movement. Because these materials are in short supply and often in foreign languages, many comrades cannot sufficiently arm themselves in the study of Marxism-Leninism-Mao Tsetung thought.

The aim of this initiative is mainly to solve this serious problem. On the other hand, the simplicity of the printing medium used allows for good news and relatively low prices. We thank our readers for their criticism and suggestions that might please us.
