TO ALL ORGANIZERS

Dear Comrade,

The first bulletin for the YSA pre-convention discussion (Vol. XVIII, no. 1) is now available. The following articles are contained in the bulletin:

"The Black Struggle Report to the July National Committee Plenum" by Malik Miah

"Two Organizational Proposals" by Jon Kegler

"Selections from the Recruitment Workshop at the 1974 Oberlin Socialist Activists and Educational Conference"

"The Red University and the Student Worker" by Dayne Goodwin

"The Youth Support Workshop from the 1974 Oberlin Conference"

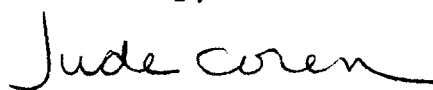

"For At-large Voting Rights" by David Matthews, David Brandt and Richard Daw

The bulletin is 32 pages and the price is 40¢.

The bulletins will be sent to locals on Wednesday, Nov. 20. Any locals that have not yet placed a standing order for bulletins with the National Office should phone this information to the N.O. by Tuesday, Nov. 19.

When placing the order, comrades should keep in mind that as well as all YSA members in their area, contacts will want to follow the pre-convention discussion and attend the convention, so extra bulletins should be ordered over and above the number of YSA members in the local. Center locals, where there are branches of the SWP, should keep in mind that members of the SWP will want to follow the discussion, also. Extra bulletins should be ordered to facilitate this.

Comradely,

Jude Coren
YSA National Office
