Dear Brothers and Sisters,

Enclosed is a copy of the new Afro-Americans for Halstead and Boutelle brochure. If you would like additional copies to pass along, let us know.

Afro-Americans for Halstead and Boutelle will be active petitioning in New York to get the Socialist Workers ticket on the ballot during the next few weeks. Already, supporters of Halstead-Boutelle have fanned out through the up-state counties, collecting the signatures required there. Here in New York we will be collecting signatures on Saturday August 3 and August 10. If you can come out and help us get these signatures, call us at one of the above phone numbers.

This week, there will be a rally in front of Rockefeller's headquarters. Come to the rally and help us expose this representative of Standard Oil and Chase Manhattan who is masquerading as a "friend" of black people.

Paul Boutelle will be available for speaking from Aug. 11-26; and Sept. 13-17. Having just returned from a trip to England, he has a lot of information to share on the struggles of the Brothers and Sisters in that stronghold of white imperialism.

Let us know if you know of any groups who would like to have him speak. In mid-September he leaves on a national speaking tour.

Look for the next edition of the Afro-Americans for Halstead and Boutelle Newsletter which will be coming out at the end of next week.

For Black Liberation,

Anthony Thomas
