1. PARTY CONVENTION

a. General Arrangements

Barnes reported.

Motion: To put out call and agenda following World Congress.

Carried.

b. Resolutions

Barnes reported.

In addition to international points we propose three central resolutions: Afro-American Struggle, Antiwar, and Political.

Instead of conjunctural resolutions, we propose more basic resolutions that make a historical analysis of the radicalization which is taking place.

We may need additional points on the agenda, but these will be the central axis of the convention.

Discussion on each resolution.

Motion: To assign the following to draft the resolutions: Novack - Afro-American Struggle; Horowitz - Antiwar; Barnes - Political.

Carried.

2. WORLD MOVEMENT

Hansen reported receipt of Pierre Frank book on the Fourth International, published by Maspero in France.

Meeting adjourned.
