To All Organizers

Dear Comrades,

A national tour by Derrick Morrison is planned for the months of March, April, and May.

This will be a speaking tour so comrades should plan to set up public meetings in each area.

The topic of Derrick's talk is "Black Nationalism and the Struggle for a Socialist America". Only one talk has been planned for the tour, so please do not ask Derrick to speak on other topics.

Derrick may be advertised as a member of the National Executive Committee of the YSA.

Please let the National Office know as soon as possible if you cannot accept the proposed quota, or if any minor adjustments are needed in the tour schedule. Tour quotas should be given to Derrick when he comes to your area.

Comradely,

Charlie Bolduc
