FUND DRIVE SCOREBOARD

|                   | <u>Local</u>    | <u>Quota</u> | <u>Paid</u> | <u>Percent</u> |
|-------------------|-----------------|--------------|-------------|----------------|
| 1.                | Antioch         | \$ 100       | \$ 110.00   | 110.0          |
| 2.                | Chicago         | 1250         | 1000.00     | 80.0           |
| 3.                | Philadelphia    | 625          | 449.50      | 72.0           |
| 4.                | Twin Cities     | 675          | 450.00      | 66.6           |
| 5.                | Washington D.C. | 300          | 196.60      | 65.5           |
| 6.                | Berkeley        | 750          | 480.00      | 64.0           |
| 7.                | Detroit         | 1200         | 765.00      | 63.8           |
| 8.                | Madison         | 430          | 269.50      | 62.8           |
| 9.                | Los Angeles     | 400          | 250.00      | 62.5           |
| 10.               | New York        | 1800         | 1000.00     | 55.5           |
| 11.               | San Francisco   | 725          | 332.20      | 45.8           |
| 12.               | Cleveland       | 900          | 400.00      | 44.5           |
| 13.               | Boston          | 900          | 396.50      | 44.0           |
| 14.               | Seattle         | 200          | 75.00       | 37.6           |
| 15.               | Atlanta         | 125          | 25.00       | 20.0           |
|                   | General         |              | 6.00        |                |
| <hr/>             |                 |              |             |                |
| TOTALS            |                 | \$10,380     | \$6205.30   | 59.5           |
| Should Be to Date |                 | 10,380       | 7224.48     | 69.6           |

Dear Comrades,

With the fund drive almost 70% over, we're beginning to slip behind a little, so let's make an effort to catch up by the next scoreboard.

Congratulations to Antioch for being the first to both make their quota and go over.

At-large comrades should take note of the low figure on the "General" and try to get their contributions in soon.

Comradely,

*Mary-Alice Waters*
