TO ALL NATIONAL COMMITTEE MEMBERS AND ORGANIZERS

Dear Comrades,

Because of the extensive deterioration of normal organizational procedures within the International Marxist Group, British Section of the Fourth International, the United Secretariat in December agreed to the request of the National Committee of the IMG to establish a Fact-Finding Commission to go to England, study the situation, report its findings and make recommendations to ease the situation and decrease the factional atmosphere.

Enclosed is a copy of the final report of the Fact-Finding Commission. There are three essential parts to the report: (1) The unanimous report and recommendations of the Fact-Finding Commission itself and the statements of the individual members of the Commission; (2) The unanimous recommendations from the United Secretariat and the statements of the individual members of the United Secretariat; and (3) The extensive documentation submitted by the Fact-Finding Commission as appendices to their report.

Comrades are urged to familiarize themselves with pages iv-9 prior to the SWP National Committee plenum if possible.

This report is being circulated for the leadership of the SWP and not for the general membership at this time.

Comradely,

Jack Barnes (RB)

Jack Barnes
Organization Secretary
