

17 September 1973

Dear Comrades:

This evening I came into possession of the enclosed letter, a letter written by Estelle Yaffe to an unknown member of the Internationalist Tendency. Although it is unsigned the handwriting is unmistakably Estelle's. The letter was found in a copy of the ISR which Estelle loaned to a non-YSAer who is a companion of a YSA member. The YSA member brought this letter to my attention.

This letter is extremely disturbing! I feel that it is imperative that you all see it. Although the writing is sketchy at places due to Estelle's unfamiliarity with the language I think it pretty well speaks for itself.

Comradely:

Steve Millen
