TO ALL MEMBERS

Dear Comrades,

The following is an excerpt from the minutes of the Political Committee meeting of September 28, 1973:

"The leadership of the YSA believes that the upcoming YSA convention would yield most clarity if, under current circumstances, a special exception were made to grant permission to all party members in the YSA, to present their views in the YSA preconvention discussion on the agenda points before the YSA convention.

"Motion: To grant permission to party members who are also members of the YSA, who hold minority political positions, to present their views on the agenda points in the preconvention discussion for the December 1973 convention of the YSA.

"Motion carried."

Branch organizers should make sure that all members are made aware of this motion.

Comradely,

*Lew Jones*
