TO ALL ORGANIZERS

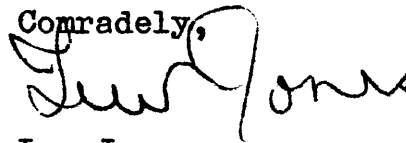

Dear Comrades,

In preparation for the Socialist Activists and Educational Conference and the fall campaigns of the party, the National Office is conducting a census of the party membership. Enclosed you will find questionnaires to be filled out by each party member. These questionnaires should not be signed.

We would like this census to be as complete as possible. Special efforts, therefore, should be made to have each member fill out a questionnaire. If a member is unavailable, a questionnaire should be filled out for him/her with the best available information from friends, etc.

Please return these questionnaires to the National Office by August 5, 1974.

Comradely,

Lew Jones
SWP National Office
