
Additional Instructions for the Party's Membership Meetings

Published in *The Daily Worker* [Chicago], v. 2, no. 237 (Dec. 26, 1924), pg. 3.

1. The official representatives of the CEC will be held responsible for the proper organization and conduct of the mass membership meetings in the 10 cities where representatives of the CEC and minority are scheduled to speak.

2. The District Executive Committees in the various districts of the party shall immediately arrange for mass membership meetings to be held in each town where there is a City Central Committee. The dates and places of these meetings shall be announced at the opening of the mass meetings already scheduled, and as much sooner as possible.

3. In order to avoid duplication of voting at the mass membership meetings, only those members shall be allowed to vote who belong to branches affiliated to the City Central Committees in the cities where the mass membership meetings are being held. This rule shall apply to the meetings already scheduled in New York, Chicago, Boston, Philadelphia, Cleveland, Buffalo, Minneapolis, Detroit, Pittsburgh, and New Haven. At these meetings members affiliated outside City Central Committees shall be allowed to attend the meetings without voice or vote.

4. In order to insure a fair count of the votes of the membership at the mass membership meetings, the CEC representatives at each meeting shall appoint a sufficient number of tellers, to be divided equally between the majority and minority.

5. A record shall be kept of the vote cast at the various mass membership meetings and forwarded immediately to the National Office of the Workers Party.

Fraternally yours,

William Z. Foster,
Chairman.

C.E. Ruthenberg,
Executive Secretary.
