

'RELEASE SACCO AND VANZETTI', MINERS DEMAND

Ohio Valley Workers Hold Protest Meetings

TILTONVILLE, Ohio, March 6.—A mass meeting here of workers of the Ohio valley, mostly miners, unanimously adopted a resolution demanding the release of Nicola Sacco and Bartolomeo Vanzetti from the Massachusetts state prison where they are held on framed up charges of murdering a paymaster.

Four English and two Hungarian speakers gave the history of the frame up of the two labor leaders. Daniel Spahr acted as chairman. The meeting was held under the auspices of the Workers (Communist) Party.

"We demand that these men be given a new trial, where they will have a chance to prove their innocence. We insist that the frame-up of men in the working class movement must stop."

"We call upon all workers to join us in this protest, so that these two men may be returned to their families."

WEST VIRGINIA SCAB MINES NO PARADISE FOR COAL DIGGERS AS STRIKING MINER PROVES

Only 44 cents a day per person to provide food and clothing for a miner's family and an inevitable deficit at that, is promised by the 1917 scale forced upon coal diggers in the mountain mines of West Virginia, according to H. A. Woodrum, a striking miner of Longsore, West Va.

Woodrum sets 10 tons as a fair average day's loading. At the 1917 rate of 44 cents this would give the miner \$1,377.50 if he gets 111 working days. But there were only 127 working days in 1932 which would mean \$998.80 for the year.

The expenses the average miner would have to meet are given from Woodrum's own expenses for the year:

Table with 2 columns: Item and Amount. Includes Rent (company house) \$180.00, Gas bill \$4.50, Electric light \$10.00, Lector bill (\$2 per month) \$24.00, Hospital (\$1 a month) \$12.00, etc.

Thus the miner would find himself in debt \$65.80 at the end of the year. The mine would have to subsidize 120 men in the mine getting \$5 a day in the Kanawha and Hoeking mines.

"We demand that these men be given a new trial, where they will have a chance to prove their innocence. We insist that the frame-up of men in the working class movement must stop."

"We call upon all workers to join us in this protest, so that these two men may be returned to their families."

SPRING STRIKE PLAN OF MARINE UNITED FRONT

Universal Demands to Be Worked Out

NEW ORLEANS, La. (By Mail) March 3.—The second day of the conference of transport workers' unions from Europe to maritime countries of the western hemisphere was held here today.

Great Strike Planned. An international strike was agreed upon of all countries in the western hemisphere, at least of those five represented, to be called in the spring.

A strike stamp to be issued by the union involved was read and agreed on, subject to the ratification of the unions represented.

A universal cablegram address, to take the place of the lengthy titles of ships, was adopted. "Emancipation," followed by the name of the port, will be used in the cablegram and radio communications.

This infers, however, that the unions represented are not yet organized into branches or organizations dual to the existing union in any port.

May Blockade California. The conference went on record as demanding the immediate release of all war prisoners, and a road to peace.

IOWA BEING ORGANIZED IN WORKERS PARTY

Des Moines Forms New Branch, More Coming

DES MOINES, Iowa, March 6.—Dennis Moines heard the message of Communism last Sunday afternoon when J. E. Snyder and David Counts spoke at the Trade Assembly Hall, in the window of their successful laboring and organizing tour.

The crowd of workers present listened very attentively to the remarks of those capable speakers, and at the close of the meeting Des Moines and a full-fledged general English branch of the Workers Party.

While the half-wits and the bawling crowd had their own Workers Party in going right ahead and doing things through the state of Iowa.

Before the year is out Iowa will have functioning Workers Party locals in every industrial center. And the building of the Workers Party in Iowa will mean the building of the entire labor movement in this state.

Seattle Militants Take the Offensive

(Continued from page 1) The members of organized labor in which they point out that the entire issue and charges against them are a camouflage and a fake instigated by the employers.

"Six of us have been charged with one on exchanging agents of Communism—by five co-defendants four of them paid business agents of the I. O. O. F. and one a laborer."

"You all are aware that the attempt of the employers to instigate persecution of the workers within our own ranks is a well known fact."

"We declare that for years we have organized our lives to get organized labor movement and have given the best in us to help build it up, and we challenge, dare and defy these accusers and persecutors to specifically prove when and where any of us has done the least thing that has injured our labor movement."

"This appeal is not made so much for our own health but rather to prevent the wrongs that are to be instituted in the council by such action which is bound to bring strife, struggle and disruption. Yours for a united labor movement—Paul K. Mohr, Joe Havel, W. H. Jones, M. Hansen, H. G. Price, J. C. Carlson."
