EXTRAORDINARY OFFER.
The Weekly Kansas City Star and
Freedom's Banner both for one year for
40c. The Kansas City Star is a
capitalist paper, the Banner is a So-
cialist paper. Yes we believe with
them. Jefferson, "Error is not down-
ground if the press remains free to
combat it." We are ready to place
Socialism alone side of the best of
capitalism in order to offer, and have
the good sense of our readers to de-
cide for themselves.

This is just the combination you
need to get right down to the bottom
of the question and learn the truth.
Read both sides.

This is the opportunity of a life-
time. Everybody you ask will want
this combination. Send in a list at
once. Don't wait, but do it now, and
get everybody READING BOTH
SIDES.

DON'T FORGET THIS.

The Workers United in Allen County
Can Accomplish Wonders.

Every Friday evening at 8 p. m.
a little band of workmen and
women meet at 214 S. Jefferson av-
enue, for the purpose of getting the
workers of Iola and Allen County
together, so that when matters come
to affecting their material interests,
they can act as a unit.

Do you realize the tremendous
power that could be exerted in the
interest of the working people of
this community, if all the working
people but acted together?

This little band is growing and
will gain in power rapidly from now
on.

Do your part, give your support
to the only organized movement in
Allen County, whose mission is to
improve the condition of those who
do the useful work of the world.

Come out and see for yourself
next Friday night. Don't forget 214
South Jefferson avenue, 8 p. m.

Reform is a paired pair of

TWO GOOD BOOKS.

The Bible from Genesis to Revela-
tion, told for young and old, by Rev.
James Hurlbut—separate stories, yet
forming a continuous narrative of
the Bible. The best book of the
kind ever written, 157 pages, 150
half tone illustrations. It tells the
story of the Bible, in plain, attrac-
tive cloth bound, 6 1/2 x 9 inches, and
sold for \$1.50, a price low enough
that every home can have a copy; it
is equal in text and illustrations to
more than half a dozen books ac-
tually sold at the same price.

The Twentieth Century New Testa-
ment complete in one volume for
\$1.00, translated from the Greek into
modern, every day language. The
translation made about three hun-
dred years ago was clothed in old
style English, which has come to be
considered almost sacred in its style.
In other languages the Bible has
been recently translated into their
modern style. What objection can
be made to having an English Bible,
or statement, in the style of lan-
guage that we use every day?

These books, and many other
good books, are sold by Walter H.
Loomis, 616 North Chestnut Street,
Iola, Kansas.
